**Templeton Municipal Light and Water Plant is Offering a \$200-\$400 Electric Vehicle Charger Rebate!**

Templeton Municipal Light and Water Plant (TMLWP) has partnered with its energy efficiency program manager, Massachusetts Municipal Wholesale Electric Company, (MMWEC), to offer a rebate on eligible Wi-Fi-equipped Level 2 residential electric vehicle (EV) chargers to its customers. TMLWP customers with fully electric vehicles and plug-in hybrid electric vehicles are eligible for the rebate.

Vehicle Type	EV Charger Rebate
Fully Electric Vehicle	\$400
Plug-in Hybrid Electric Vehicle with less than 15 kWh Battery Capacity	\$200
Plug-in Hybrid Electric Vehicle with more than 15 kWh Battery Capacity	\$300

## How it Works

### Step One

Purchase and install a ChargePoint or JuiceBox EV charger.

### Step Two

Apply for the EV charger rebate and provide a:

- Dated Sales Receipt
- Vehicle Ownership Document
- Recent Electric Bill

### Step Three

Allow six to eight weeks to process the rebate check.
